Form 990, Part III, Line 4a - Program Service Accomplishments

In the last six years we have also established the Fortin Culinary Center where we teach culinary job training skills. We have so far had 123 graduates of this program with a 99% success rate of those truly wanting to work. The demand for people with culinary skills is tremendous. We have a very strict set of rules for our students as there is no charge for the course, but if you don't show up you are not allowed to continue. We have literally changed lives with this program. We are truly proud to have moved many of our students from a generational norm of 'living on the system', to now being productive members of the work force.

Our Fortin Culinary Center has also become a source of revenue and training for our students, and others. We have a large reception hall seating 300 which can be divided into two sections for meetings, weddings, receptions, company parties, memorial services, job training sessions, Serv Safe Classes, etc. We serve many banquets on a regular basis, which of course, is tremendous training for our students.

We opened our Fortin Café and Gift shop in response to a neighborhood demand, which has now turned in to a popular breakfast and lunch venue. It is also a great training field for our students, many of whom we actually hire. We have two fulltime chefs, one teaches our classes and one runs the café. We also encourage social enterprise by promoting and selling art and other items for area artists. And, we rent our beautiful commercial kitchen to entrepreneurs wishing to start or expand their food related business. We do this on an hourly basis so young businesses do not have to incure a heavy debt load as their business develops. We have been the catalyst for many businesses that have now grown and started their own places.
